All 27" HMC lead sections have the following common dimensions;  
Width, including ladder = 51.5"  
Depth over all = 40.0"

<u>SECTION</u>	<u>LENGTH</u>	<u>APPROX. WEIGHT</u>
30' Top Section	30'-0"	4000#
10' Stab Point	10'-0"	1400#
10' Mid Section	10'-0"	1400#
15' Mid Section	15'-0"	2000#
20' Mid Section	20'-0"	2700#

The 100' leads that you are getting could be assembled with various combinations of the "Mid Sections" shown. You will have to get the exact assembly information from the lead source.
