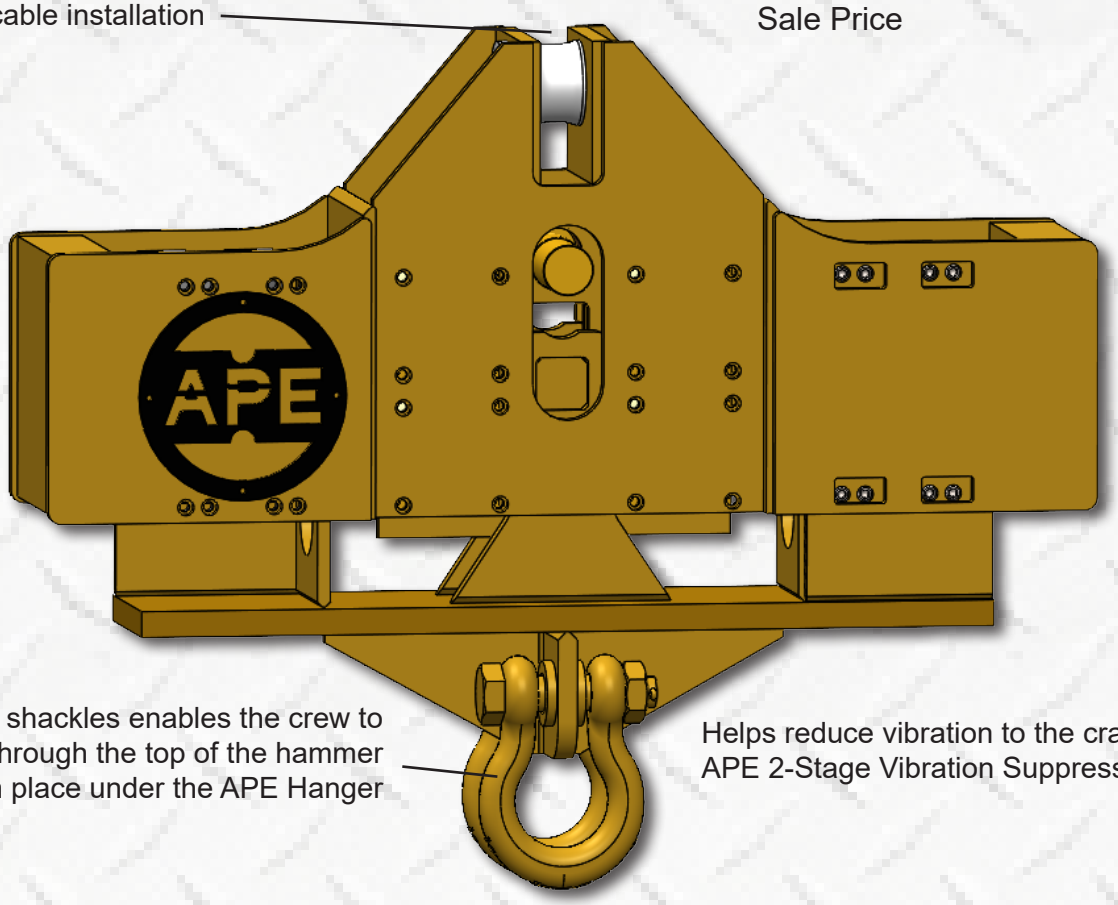
APE HANGER

WORLD'S LARGEST PILEDRIVER

For use with an APE Vibro when a Secondary Vibration Dampening System is required.

Removable Top Lifting Lug for easy lifting cable installation

Rental Rate Per Month	$4,500.00
Sale Price	$48,000.00



Two 55-ton safety shackles enables the crew to loop the cable through the top of the hammer and shackle in place under the APE Hanger

Helps reduce vibration to the crane beyond the APE 2-Stage Vibration Suppression System

*If working load exceeds 75 tons then factory authorization is required.

SPECIFICATIONS	DATA
